

# STAR SYSTEM

The number of stars you add to your lanyard indicates how comfortable you are with touch!

**ONE STAR:** No touching please!  
If you put one star, it indicates you are not comfortable with touch

**TWO STARS:** Some touch is okay!  
If you put two stars, it indicates you are fine with some touch such as high fives or fist bumps

**THREE STARS:** Touch is okay!  
If you put three stars, it indicates you are fine with touch such as hugs

Please ask others about how comfortable they are with touch, especially if you can't see their sticker(s).

Be respectful of others boundaries and don't be afraid to make your own clear!
